NOTE.—These Regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard. But it must be clearly understood that the Secretary of State reserves to himself an absolute discretion to reject as unfit any candidate whom he may consider, after hearing the opinion of his medical advisers, to be physically disqualified for the public service; and that his discretion is in no respect limited by these Regulations.

[Save as provided in regulation 2 (*b*) these Regulations are intended merely for the guidance of Medical Examiners and are not meant to restrict their discretion in any way.)

1. To be passed as fit for an appointment under Government in India a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of the duties of his appointment*.

(*b*) For all candidates for appointment to the Indian Police a minimum height of 5 ft. 4 ins. is required. For Indian Police candidates not of European race a minimum chest measurement of 33 ins. 3. The candidate's height will be measured as follows:—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer side of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

* Selected candidates are required to be inoculated against enteric fever before they proceed to India on first appointment; but exemption from this requirement may be granted to any candidate of Asiatic domicile, unless he has been continuously resident out of Asia for five years prior to the date of his appointment.

4. The candidate's chest will be measured as follows :—He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded in inches, 33—35, 34—36½, etc.

In recording the measurements, fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. (A) The examination for determining the acuteness of vision includes two tests, one for distant, the other for near, vision. Snellen's test types will be used for the test for distant vision, without glasses at a distance of 20 feet, and for the test for near vision without glasses, at any distance selected by the candidate. The standards of the minimum acuteness of vision which will be used for guidance in the examination of a candidate are as follows :—

(B) Each eye must have a full field of vision as tested by hand movements.

(C) Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence, will cause the rejection of the candidate.

(D) Each eye will be examined separately and the lids must be kept wide open during the test.

(E) Inability to distinguish the principal colours will not be regarded as a cause for rejection but the fact will be noted in the proceedings and the candidate will be informed.

(F) The degree of acuteness of vision of all candidates for appointments will be entered in the proceedings in the following manner :—

V. R.=.....; with glasses=.....; Reads.....

(A contact glass or lens is defined as a glass shell, the concavity of which is in contact with the globe of the eye, a layer of liquid being interposed between the lens and the cornea. The meaning of the word "glasses" wherever used above is to be interpreted as not covering contact glasses.)

7. The urine (passed in presence of the Examiner) should be examined and the result recorded.

(*a*) that the candidate's hearing in each ear is good and that there is no sign of disease of the ear ;

(*b*) that his speech is without impediment ;

(*c*) that his teeth are in good order and that he is provided with dentures where necessary for effective mastication (well filled teeth will be considered as sound) ;

(*j*) that there is no congenital malformation or defect ;

(*k*) that he does not bear traces of acute or chronic disease pointing to an impaired constitution ;

(*l*) that he bears marks of efficient vaccination.

When any defect is found it must be noted in the certificate and the medical examiner should state his opinion whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidatt. If the condition is remediable by operation it should be so stated.

NOTE.—Candidates are warned that there is no right of appeal from a Medical Board, special or standing, appointed to determine their fitness for the above Service. If, however, Government are satisfied on the evidence produced to them of the possibility of an error of judgment in the decision of the first Board, it is open to Government to allow an appeal to a second Board.

FEDERAL PUBLIC SERVICE COMMISSION (INDIA)

Each candidate must fill up and submit TWO copies of the application form, but only one form need be accompanied by the documents specified in (e).

(*a*) Copies of the Notification of, and the Rules for, the Examination are sent herewith **Candidates should consult them to see if they are eligible before filling up the form, or paying the application fee into a treasury. The conditions prescribed cannot be relaxed.**

(*b*) Two copies of the form should be filled up in the candidate's own handwriting and should be submitted to the Collector* or Deputy Commissioner or, in the case of a candidate from a State in India, to the Political Officer or Agent through the Durbar. No application received by the Collector,* Deputy Commissioner, Political Officer, or Agent after the date specified in the Notification will be accepted.

*In the case of Calcutta, the Commissioner of Police.

NOTE.—Candidates are *advised* to appear personally before the Officer to whom the application form is submitted but if they are specifically asked to appear they *must* do so, so that he may be able to verify the entries in the application.

(*c*) If a candidate sends his application by post and desires an acknowledgment, he must send the application " acknowledgment due ". No applications will be otherwise acknowledged.

(*d*) A candidate who is found to have knowingly furnished any particulars which are false or to have suppressed material information will, if appointed, be liable to dismissal.

(*e*) The following documents must be sent in with the application. Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by any of these documents or by a reasonable explanation of its absence, it will be summarily rejected, and that no appeal against its rejection will be entertained.

(1) *A treasury receipt for Rs. 7-8-0.*—The amount should be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India, or in a State Treasury authorised to transact business on behalf of Government. (Amounts deposited at Bombay, Calcutta, Delhi, Madras or Rangoon should be deposited in the Reserve Bank of India instead of in the Imperial Bank of India). The Treasury or Bank should be asked to credit it to the account head " XXXVI—Miscellaneous Department, Examination fees Receipt of the Federal Public Service Commission ". The name of the examination and of the Treasury at which the fee is deposited should be clearly entered in the Treasury Receipt.

The treasury receipt should be on the blue form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited. If, however, the blue form is not available in the Treasury the ordinary form hitherto employed should be used. CANDIDATES MUST SEE THAT THEY ARE ELIGIBLE AND MUST DECIDE DEFINITELY TO APPLY BEFORE DEPOSITING THIS FEE IN THE TREASURY. THE FEE WILL NOT BE RETURNED IN ANY CIRCUMSTANCES WHATEVER NOR WILL IT BE HELD IN RESERVE FOR SUBSEQUENT EXAMINATIONS OR SELECTIONS.

NOTE 1.—Candidates who are in the United Kindgom at the time of submitting their applications should deposit the amount of their application fee (the equivalent of Rs. 7-8-0) in the office of the High Commissioner for India, London, and forward the receipt from that office.

NOTE 2.—Cash or postal orders or cheques will not be accepted by the Federal Public Service Commission.

(2) *Evidence of age.*—Only an extract from the Register of Matriculates or a Matriculation Certificate in original or a certificate equivalent thereto [see Note (1) below] in original will be accepted and this must be sent with the application. If the Matriculation or equivalent certificate gives the age of the candidate or the date of his birth by the year and month only, *and if this by itself is insufficient to establish that the date of birth falls within the prescribed limits*, then the candidate must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the High School which he first attended, showing his exact age on the date of admission. Any candidate, who omits to send such a certificate, does so at his own risk and renders himself liable to be disqualified.

An Anglo-Indian, or a Domiciled European or an Indian Christian, if his Matriculation or equivalent certificate does not show the exact date of his birth, must send his baptismal or birth registration certificate *in original in addition to his Matriculation or equivalent certificate.*

NOTE 1.—By " equivalent certificate " is meant a certificate of an examination recognised by an Indian University or Board of Intermediate or Secondary Education as equivalent to Matriculation.

A Transfer certificate from a school or a college is not an " equivalent certificate " and will not be accepted as evidence of age.

NOTE 2.—If a candidate claims that the correct date of his birth is other than that recorded in his Matriculation certificate or a certificate equivalent thereto, he must send direct to the Federal Public Service Commission all the evidence on which he bases his claim, as soon as he has submitted his application. He should also explain how his age was wrongly recorded there and must state whether he has made any attempts to have the date corrected and the results of such attempts.

The fact that a candidate claims a different date of birth from that shown in his Matriculation or equivalent certificate in no way absolves him from the obligation to submit that certificate, which is required in all cases.

(3) *A certificate of character in original and also a copy thereof*, from the Chief Officer in charge of discipline in the educational institution which the candidate is attending or, in the case of those who have finished their education, which he last attended.

This certificate should be signed by the Principal of an affiliated college, the Vice-Chancellor, Pro-Vice-Chancellor, or Provost or Proctor or Dean of a Faculty if in general charge of discipline, in a non-affiliating university, or the Headmaster (or Principal, if there is one) of a school.

(4) A certificate, in original, with a copy thereof, showing that he has one of the educational qualifications prescribed in Rule 10. A diploma or a formal " provisional certificate ", issued in accordance with the practice in the particular University concerned, may be submitted.

NOTE (i).—The originals of the certificates forwarded in accordance with paragraphs (*e*) (2), (*e*) (3) and (*e*) (4) will be returned when the result of the application is communicated but will not be returned if copies (where asked for) have not been submitted.

NOTE (ii).—If the candidate has already submitted the certificates required in paragraphs (*e*) (2), (*e*) (3) and (*e*) (4) in connection with another examination conducted by the Federal Public Service Commission and if they have not been returned to him, he should mention the fact when submitting this application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, a reasonable explanation of its absence must be given.

(*f*) A candidate for whom a declaration under Section 262 (3) of the Government of India Act, 1935, is necessary should *immediately on receipt of the Application Form* take steps to obtain the declaration. He will not be appointed unless he has obtained the declaration.

(*g*) *The fact that an application form has been supplied, on whatever date, will not be accepted as an excuse for the late submission of an application, or as evidence of the receiver's eligibility for admission to the examination.*

(*h*) Every candidate for admission to an examination conducted by the Federal Public Service Commission is informed at the earliest possible date of the result of his application. It is not possible for them, however, to say when that result will be communicated, nor can they undertake to keep candidates informed of the progress of their applications.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(*i*) Candidates must make arrangements to see that communications addressed to them at the addresses stated in their applications are redirected, if necessary. Also any change of address should be communicated *at once* to the " Collector or Deputy Commissioner " or " Political Officer or Agent ", to whom the application was submitted and to the Secretary of the Federal Public Service Commission. Although the Federal Public Service Commission make every effort to take account of changes in candidates' addresses they cannot accept any responsibility in the matter.
